The Power of Your Subconscious Mind
Explained by
AADAK Universe

PART I
It's All in Your Mind

Whatever you hold in your mind will tend to occur in your life. If you continue to believe as you have always believed, you will continue to act as you have always acted. If you continue to act as you have always acted, you will continue to get what you have always gotten. If you want different results in your life or your work, all you have to do is change your mind.

This is what Joseph Murphy wants to teach his readers through his remarkable book 'The Power of Your Subconscious Mind.' This book is a great effort by the author to help readers decode their minds to unleash the seamless power within. The step-by-step guide teaches how to tap into unexplored section of the mind to discover the force of the subconscious mind and bring it under control. The author believes that a person's subconscious mind doesn't argue. It falls in line with what the conscious mind believes. If the conscious mind says one can't do it, the subconscious mind works on it to make it true. This book helps a person to select a better thought so that the conscious mind can influence the subconscious mind to succeed in what a person chooses and thinks. In a nutshell, what Dr. Murphy wants to convey through this book is that all can change their lives in a good way if they can change the way they think and focus on what they really want and do. The book is a collection of easy tips on how to deploy simple techniques to change a person's life by changing the beliefs. Publisher : Manjul Publishing House Pvt. Ltd.
