

I'm not robot!

Jump to navigation Jump to search Tales of Vesperia is a role-playing game and the tenth main entry in the Tales series. It was originally released for the Xbox 360 on August 7, 2008 in Japan. It was later ported to the PlayStation 3 on September 7, 2009. The port introduced a new character, Patty Fleur, and Flynn Scifo became a permanent party member. On January 11, 2019 a remastered version titled, Tales of Vesperia: Definitive Edition (Tales of Vesperia Remaster in Japan), was released on the PlayStation 4, Xbox One, Nintendo Switch, and Windows to celebrate the 10th anniversary of the game. The opening song was sung by Bonnie Pink and the anime cutscenes were made by Production I.G. edit updated Jan 11, 2019Welcome to IGN's Tales of Vesperia guide and walkthrough. This walkthrough is organized by location in the order you'll encounter them when playing. Follow along with each page to help as you play through Tales of Vesperia. Set more than a decade after the events of the first film, Avatar: The Way of Water begins to tell the story of the Sully family (Jake, Neytiri, and their kids), the trouble that follows them, the lengths they go to keep each other safe, the battles they fight to stay alive, and the tragedies they endure.Avatar: The Way of Water, directed by James Cameron, opens in theaters on December 16, 2022. Im very confused by peoples opinion of this game so ive been trying to play this on normal and i keeps seeing people say this is somehow better than Zestaria when it comes to combat..... and i am seriously curious what im missing because this feels like possibly the worst combat system ive ever used, like hate zestaria as much as you want, at least the combat was mostly functional and had a difficulty curve, this game has no difficulty till bosses when they decide to make a boss be so hard it feels like a different game entirely. the amount of times you... 3 hours ago General Discussions Does this work on steam deck? It says it's verified but one of the reviews say it doesn't work on steam deck. Anyone have this and a steam deck willing to give it a try? Thank you. 5 Aug @ 11:28pm General Discussions Guide 《薄暮传说》全成就指南 这篇《薄暮传说》全成就指南可以让你尽量帮助你减少游戏时间。本指南后面附有刷Grade方法，方便大家多周目继承时可以继承全部有利条件。另外商店免费领的称号DLC可以少做几个支线。使用攻略为传说吧制作的中文攻略1.2，百度盘地址：s/1NF94Q840hcgMDQLcf6jGHW 提取码 qy1g 《薄暮传说终极版》共53个成就，无白金奖杯，无错过的成就（有错过的支线，关系到收集成就，所以成就党请按我提供的攻略玩）推荐全成就为二周目半——一周目：部分支线，体验剧情，熟悉战斗和地图——FPS drop during combat Hi, I have the following configuration: OS: W10 Family CPU: i7-6800K @ 3.40 GHz Memory: 32 GB DDR4 3000 MHz GC: GeForce GTX 1080 Ti HD: SSD Crucial 1TB Screen resolution: 2560x1440 While playing this game, with or without TVFixReviver, I noticed quite a few FPS drop/lags whenever I am in combat (especially when moving around) and sometimes during cutscenes (less frequent). I did only check this in the "initial castle" but even by tweaking with the options of the game or TVFix, I couldn't get proper perfo... Kerthal 'The Ashen Couch' 17 Jul @ 2:54am General Discussions Your Local Evil Within Fan 5 people found this review helpful 0 Posted: 31 July The visuals are nice. The voice acting isnt terrible. The dubbing is solid if thats your bag. The characters are a bit tropey, but its a jrpg so thats what youre signing up for.The most amount of your time in these games though is spent in combat, and combat feels super clunky because of huge delays after any action. It's an intentional design choice because they give you an "overlimit" ability to trigger every now and then that removes all delay. So most of the time it feels like youre playing in molasses. It might as well be turn based. You also hit a grind wall very early (i was about 5 hours in) where it throws a level 20 boss at you that 2-3 shots a party member and is super fast. If youve done every fight along the way to that encounter you might be level 12 or 13 with a handful of healing items. It's a lot like running into the tiger boss in Secret of Mana, and just as annoying. JRPGs are usually time sinks, but this is shaping up to be the the worst kind of "disrespect your time" kind of time sink as opposed to "bury you in all kinds of stuff to do" time sink. If you know what youre about and this sounds like your thing, go for it, but there are plenty of games that just do all this better. 157 products in account Better than modern Tales of games? I just couldn't get into any of the modern Tales of games. Berseria, Arise, Zestiria and those just didn't do it for me. Maybe I just miss Graces F 2 Aug @ 11:25pm General Discussions Game not registering controls for long periods? So, I've played this game on it's original console before. I never had this issue. There are no frame drops, and the game runs fine. However, at random points, it will stop registering my inputs, instead holding what I last pressed, whether this be a button or an analog stick input. The game continues running fine, with the enemy acting, or in the overworld, my character walking/standing still. Is there any way to fix this, and has anyone had the same problem?... 11 Jul @ 12:12pm General Discussions No one has rated this review as helpful yet 0 Posted: 7 August It is a great game and amazing story. Strongly recommended for anyone willing. 37 products in account Seven Brave Friends.
